

City of Flagstaff

June 1, 2015

Dear Business Owner or Manager,

You may already be aware of the annual Flagstaff City Commission on Disability Awareness Banquet, where we honor Flagstaff citizens. We are volunteers appointed by the Flagstaff City Council. It is our goal to increase community awareness of the real contributions made by citizens of the community who have a disability, and provide recognition for employers, employees, students, teachers, parents and professionals who further the goals of disability awareness and inclusion in the community.

The highlight of our year is our annual banquet recognizing contributions made by these community members. This year's banquet will be held on November 13, 2015, with ***Dream BIG*** as our theme.

We hope we can count on you to participate as a sponsor or to make a donation to use as a door prize at our banquet.

If you have any questions, please feel free to contact the Disability Awareness Commission City Staff Liaison, Denise Thompson, at (928) 213-2095.

Sincerely,

Commissioner
