

This questionnaire must be completed for any demolition work.

This questionnaire must be submitted with your building permit application.

RESIDENTIAL DEMOLITION

Asbestos / NESHAP Questionnaire

PART A: If your project involves RENOVATION/DEMOLITION of a residential home only (includes a mobile home), please check the appropriate response to the following questions.

- | <u>Yes</u> | <u>No</u> | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | 1) Does this renovation/demolition project involve more than ONE residential building at the same site with the same owner/operator? |
| <input type="checkbox"/> | <input type="checkbox"/> | 2) Is this building currently being used, or has it EVER been used, as a commercial, government, daycare, office, church, charitable or other non-profit place of business? |
| <input type="checkbox"/> | <input type="checkbox"/> | 3) Has this ONE residential building been divided into five or more dwelling units or leased/rental units? |
| <input type="checkbox"/> | <input type="checkbox"/> | 4) Is this building to be demolished as part of a highway or road-widening project? |
| <input type="checkbox"/> | <input type="checkbox"/> | 5) Is this building part of a building cooperative, apartment, or condo building? |
| <input type="checkbox"/> | <input type="checkbox"/> | 6) Is this building used for military housing? |
| <input type="checkbox"/> | <input type="checkbox"/> | 7) Have other residences or non-residential buildings at this site been scheduled to be demolished now, or in the future, as part of a larger project (trailer park developments, etc.)? |
| <input type="checkbox"/> | <input type="checkbox"/> | 8) Is more than ONE residential building to be lifted from its foundation and relocated? |
| <input type="checkbox"/> | <input type="checkbox"/> | 9) Will this residential building be intentionally burned for the purpose of demolition or fire department training? |

If a “YES” response to any of the questions above is recorded, please answer the questions in PART B.

PART B: If your project involves RENOVATION, DEMOLITION, or REMODELING of a structure/facility denoted in PART A please check the appropriate response to the following questions.

- | <u>Yes</u> | <u>No</u> | |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | 1) Does the affected area to be renovated/remodeled involve disturbance or removal of existing building materials (not including wood, metal, or glass) amounting to or exceeding the following thresholds? |

- 260 linear feet on pipes
- 160 square feet on other facility components
- 35 cubic feet off facility components

- 2) Does the project include the removal of load supporting structural members?

A “YES” response to any of the questions in PART B WILL require submission of an asbestos survey conducted by a certified AHERA (Asbestos Hazard Emergency Response Act) building inspector. Additionally, a “YES” response to any of the questions above MAY require submission of a NESHAP Notification Form to the ADEQ TEN working (business) days prior to commencement of renovation/demolition (you will be notified following plan review).

COMMERCIAL DEMOLITION

Asbestos / NESHAP Questionnaire

PART A: If your project involves RENOVATION, DEMOLITION, or REMODELING please check the appropriate response to the following questions.

Yes

No

- 1) Does the affected area to be renovated/remodeled involve disturbance or removal of existing building materials (not including wood, metal, or glass) amounting to or exceeding the following thresholds?
- 260 linear feet on pipes
 - 160 square feet on other facility components
 - 35 cubic feet off facility components

- 2) Does the project include the removal of load supporting structural members?

A “YES” response to any of the questions above WILL require submission of an asbestos survey conducted by a certified AHERA (Asbestos Hazard Emergency Response Act) building inspector. Additionally, a “YES” response to any of the questions above MAY require submission of a NESHAP Notification Form to the ADEQ TEN working (business) days prior to commencement of renovation/demolition (you will be notified following plan review).
