Jeff Bauman, Traffic Engineer

CITY STAFF:

Rita Severson, Recording Secretary

CERTIFICATION OF POSTING OF NOTICE

The undersigned hereby certifies that a copy of the foregoing notice was duly posted at Flagstaff City Hall on _____, at _____ in accordance with the statement filed with the City Clerk.

This agenda has also been posted on the City's website and can be downloaded at www.flagstaff.az.gov.

I. PRELIMINARY GENERAL BUSINESS

PUBLIC COMMENT

At this time any member of the public may address the Commission on any subject within the Commission's jurisdiction that is not on this meeting's agenda. The Arizona Open Meeting Law prohibits the Commission from discussing or taking action on an item that is not listed on the prepared agenda. Commissioners may, however, respond to criticism made by those addressing the Commission, ask staff to review a matter, or ask that a matter be placed on a future agenda.

To address the Commission on an item that is on the agenda, please wait for the Chair to call for Public Comment at the time the item is heard.

APPROVAL OF MINUTES

Regular Meeting of September 7th, 2016

II. OLD BUSINESS

A. City of Flagstaff – Isabel Street Diverter

Transportation Engineering Staff will present an overview of the Isabel Street diverter and the background of its installation, and current status of the citizen request to remove the diverter.

The requesting citizen has submitted an email outlining his concerns and requesting the removal of the barrier.

Staff has sent approximately 200 postcards to the adjacent land owners and residents in addition to normal posting procedures for this public meeting.

Staff Recommendation: Review and comment on the materials, presentation, and public participation. This is an action item, so a motion is anticipated to determine the status of the diverter.

Likely motions are: Diverter to remain as-is, Modify the Diverter, or Remove the Diverter

B. City of Flagstaff – Road Repair and Street Safety Initiative – Beaver Street Project

Capital Improvements staff are beginning to design what is called Bundle #2 of the Road Repair and Street Safety Initiative. Beaver Street from Columbus Avenue to Cherry Avenue is one of the projects in Bundle #2.

Transportation Engineering staff have investigated the possibility of modifying the lane arrangement on Beaver Street to improve operations through the corridor.

Option A proposes to eliminate parking on the West side of Beaver Street in favor of a continuous Bike Lane. Option B proposes to eliminate the Bike Lane in favor of continuous Parking on both sides of Beaver Street and the addition of Shared Lane - Bike markings.

Here's a link to some information on the Beaver Street project:

<http://www.flagstaff.az.gov/index.aspx?NID=3480>

Staff Recommendation: Review and comment on the materials, presentation, and public participation. This is an action item, so a motion is anticipated to determine the status of the striping on Beaver Street from Columbus Avenue to Cherry Avenue. Likely motions are: to accept Option A or Option B, or to accept a modified Option A or Option B.

III. NEW BUSINESS

A. City of Flagstaff – Engineering Standards Updates - Transportation Impact Analysis

Transportation Engineering Staff will present an overview of the Transportation Impact Analysis (TIA) process, highlighting some of the proposed updates from the previous version.

Staff Recommendation: Review and comment on the materials and presentation.

IV. CONCLUDING GENERAL BUSINESS
