c. Bicycle Code Revisions

The City of Flagstaff has been working on a series of Bicycle Code revisions primarily focused on the wave of new e-bike and e-scooter technologies that have been introduced over the past few years. The Arizona Revised Statutes have been updated somewhat and this series of revisions helps to clarify and locally calibrate the laws pertaining to e-bikes and e-scooters.

Staff has presented these proposed code modifications to the Bicycle Advisory Committee, the Pedestrian Advisory Committee the Sustainability Commission and the City Council. Staff has also released a public survey and compiled those results for review.
