

US 180 Winter Traffic Study | Public Meeting

Thank you for attending tonight's meeting to learn about the study and to help prioritize strategies that would reduce the duration of peak winter weekend traffic congestion and improve traffic operations on US 180. Please review the list of near-, mid-, and long-term strategies and indicate your level of support.

Comments should be submitted by November 30, 2011

NEAR-TERM STRATEGIES

STRATEGY	Love it	Like it	It's OK	Neutral
Early Departure Incentives				
Traffic Signal Timing				
Traffic Signing Plan				
Traveler Information System				

Please provide your comments regarding the proposed near-term strategies.

MID-TERM STRATEGIES

STRATEGY	Love it	Like it	It's OK	Neutral
Dispersed Snow Play Sites				
Managed Lane				
Transit				
US 180 Winter Recreation Parking Pass				

Please provide your comments regarding the proposed mid-term strategies.

COMMENT FORM, continued

LONG-TERM STRATEGIES

STRATEGY	Love it	Like it	It's OK	Neutral
Alternate Route to I-40				
Cable Propelled Transit				
Intersection Improvements				
Widen US 180				

Please provide your comments regarding the proposed long-term strategies.
