**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF BASIC FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable Mayor and Members of the City Council  
City of Flagstaff, Arizona  
Flagstaff, Arizona

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Flagstaff, Arizona (City), as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated December 28, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Honorable Mayor and Members of the City Council  
City of Flagstaff, Arizona

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND  
REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AS  
REQUIRED BY THE UNIFORM GUIDANCE**

Honorable Mayor and Members of the City Council  
City of Flagstaff, Arizona  
Flagstaff, Arizona

**Report on Compliance for Each Major Federal Program**

We have audited the City of Flagstaff, Arizona's (City) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended June 30, 2016. The City's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the City of Flagstaff, Arizona complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

### ***Other Matters***

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the following paragraph and in the accompanying schedule of findings and questioned costs as item 2016-001. Our opinion on each major federal program is not modified with respect to this item.

This report replaces the previously issued report dated December 28, 2016. Subsequent to the report dated December 28, 2016, the City determined a program reported on the Schedule of Expenditures of Federal Awards was identified under an incorrect Catalogue of Federal Domestic Assistance (CFDA) number. The Schedule of Expenditures of Federal Awards has therefore been restated to properly identify Community Development Block Grant (CDBG; CFDA Number 14.218) expenditures previously reported in the Home Investment Partnership Program (14.239). As a result of this change, the CDBG program was determined to be a major program.

The City's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The City's response was not subject to auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

### ***Report on Internal Control Over Compliance***

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We identified a deficiency in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as item 2016-001, which we consider to be a material weakness.

Honorable Mayor and Members of the City Council  
City of Flagstaff, Arizona

The City's response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the result of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated December 28, 2016, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

**CliftonLarsonAllen LLP**

Phoenix, Arizona  
December 28, 2016

(Except for our opinion on the Schedule of Expenditures of Federal Awards and our opinion on compliance for the Community Development Block Grant (14.218) described in the Other Matter above, as to which the date is August 31, 2017)

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)  
YEAR ENDED JUNE 30, 2016**

**SECTION II – FINANCIAL STATEMENT FINDINGS**

None noted

**SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS**

**2016-001**

**Department of Housing and Urban Development  
Community Development Block Grant**

**CFDA Number: 14.218**

**Pass Through Entity: Coconino County, Arizona**

**Pass Through Number: 120-15**

**Award Period: July 1, 2015 – June 30, 2016**

**Material Weakness and Noncompliance**

**Condition:** The City did not properly identify federal expenditures on its schedule of federal expenditures, resulting in a federal program not being properly identified as a major program.

**Criteria:** Title 2, Subtitle A, Chapter II, Part 200, Subpart F, Section 200.508 requires that the City prepare a schedule of federal expenditures which properly identifies each federal program. Section 200.518 requires that auditors perform a risk-assessment to identify major federal programs based on criteria defined within the Uniform Guidance.

**Context:** Expenditures of the Community Development Block Grant (CDBG) passed through Coconino County, Arizona were improperly identified as Home Investment Partnership Program expenditures on the City's schedule of federal expenditures, resulting in the CDBG program not being properly identified as a major program.

**Known Questioned Costs:** None

**Likely Questioned Costs:** None

**Cause:** The City has an intergovernmental agreement with the County in which the County will provide reimbursement to the City through either the Community Development Block Grant or through the Home Investment Partnership Program. The City submitted reimbursement assuming the reimbursement was funded through the Home Investment Partnership Program; however, the County subsequently provided funding through CDBG.

**Effect:** Noncompliance with Uniform Guidance requirements as presentation of the schedule of expenditures of federal awards was not accurate, resulting in the CDBG program meeting the requirements of the major program determination.

**Corrective Action Plan:** The City restated the June 30, 2016 schedule of federal expenditures, which resulted in an additional major program being audited. Additionally, the City has subsequently implemented controls to reconcile the remittance of funds from the grantor to the original reimbursement request to prevent a similar occurrence in the future.

**Responsible Official:** Brandi Suda, Finance Director

**CITY OF FLAGSTAFF, ARIZONA  
SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)  
YEAR ENDED JUNE 30, 2016**

**SECTION IV – SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS**

**2015-A: Accuracy of Aggregation of Financial Data Related to Impaired Assets and Insurance Proceeds**

**Condition:** Certain activities of the City's multiple locations were not accurately reported in the City's financial reporting system. Specifically, the City was knowledgeable of certain asset impairments and related insurance proceeds related to activities at the City's public housing facility that were not reported in the City's financial reporting system.

**Status:** Corrected. No similar instances were noted in the current year.

**2015-B: Timely and Accurate Reconciliation of Miscellaneous Receivables**

**Condition:** Certain reconciliations of significant miscellaneous receivable accounts were not performed timely and accurately. Due to this oversight, a significant misstatement in miscellaneous receivable and revenue account balances was not identified prior to the audit.

**Status:** Corrected. No similar instances were noted in the current year.

**2015-C: Discovery of Facts Subsequent to the Issuance of the Audit Report**

**Condition:** Subsequent to the issuance of the City's audited financial statements as of June 30, 2015, dated December 30, 2015, City management identified an error in the originally issued report. Restricted net position for governmental activities in the government-wide statement of net position was not correctly stated, as much of the restricted net position was included in unrestricted net position. City management approached the auditor regarding the misstatement of restrictions and made the determination to reissue the financial statements.

**Status:** Corrected. No similar instances were noted in the current year.

**CITY OF FLAGSTAFF, ARIZONA**  
**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**YEAR ENDED JUNE 30, 2016**

**NOTE 1 BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the City of Flagstaff, Arizona under programs of the federal government for the year ended June 30, 2016. The information in this Schedule is presented in accordance with the requirements of 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the Schedule presents only a selected portion of the operations of Example Entity, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City of Flagstaff, Arizona.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The City of Flagstaff, Arizona has not elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**NOTE 3 INDIRECT COST**

The City did not elect the ten percent de minimus indirect cost rate.
