

CITY OF FLAGSTAFF HOUSING AUTHORITY
SECTION 8 AND VETERANS ADMINISTRATION SUPPORTIVE HOUSING
SECURITY DEPOSIT ASSISTANCE PROGRAM POLICY

Overview

The Security Deposit Assistance Program (SDAP) provides funding to Section 8 voucher holders for the security deposit at the time of unit lease up. Funding will be in the form of a loan with a term of 6 to 12-months. The purpose of the program is to overcome the barrier that high security deposits create; many S8HCV clients do not have the resources to pay a security deposit or are severely burdened by the payment. This program will assist program participants in securing a more affordable rental housing unit.

Program Description

SDAP loans will be provided to households with S8 Housing Choice Vouchers, Veterans Administration Supportive Housing (VASH) and other vouchers issued by the Housing Authority, excluding incoming portability vouchers as discussed in Section 12.4 of the Administrative Plan, when each of the following criteria are met:

1. SDAP funding is available;
2. SDAP loans will be available for units within CFHA's jurisdiction for initial lease -up and unit transfers meeting the following criteria:
 - a. Unit transfer due to:
 - i. Sale of property and resulting lease non-renewal;
 - ii. Change in family size requiring a change in needed bedrooms;
 - iii. Change in employment where access to place of employment is limited by location of current unit;
 - iv. Circumstances covered by the Violence Against Women Act;
 - b. Non-renewal of lease by landlord for causes beyond the household's control;
 - c. Moves approved as a reasonable accommodation as set forth in the Administrative Plan for the S8 Program;
 - d. Relocation due to major unit repairs or incidents such as flooding or fire damage (non-tenant caused).
3. Household has not received security deposit assistance from the City of Flagstaff Housing Authority (CFHA) in the last three years;
4. Household gross income is less than 50% of Area Median Income (AMI);
5. Household has no outstanding debts owed to CFHA;
6. Household is in compliance with all other program and lease requirements;
7. Household has not had a Repayment Agreement with CFHA for reasons other than SDAP within the 24 months preceding application for SDAP assistance; AND
8. The unit to be occupied must be within our jurisdiction and meet all S8HCV housing quality standards and the landlord must agree to participate in this program.

Upon approval of SDAP application and the Request for Tenancy Approval (RFTA) and household execution of the Promissory Note, a letter of intent will be issued to landlord indicating that CFHA has approved paying the refundable portion of security deposit and that payment of the deposit will be released with first Housing Assistance Payment, unless other arrangements have been made with landlord.

SDAP Program Funding

The SDAP program is a revolving loan fund program. Initial funding for the program shall be \$75,000, which shall be available until December 31, 2021. After that date, the program shall be self-funded with SDAP loan repayments, and SDAP awards shall be subject to funds availability.

Amount of SDAP Household Assistance

Eligible SDAP expenses are limited to refundable security deposit in an amount no greater than one month's rent on the unit to be leased PLUS the cost of up to two application fees per adult family member. Non-refundable portions of the security deposit are not eligible to be covered by this program. For example, non-refundable pet deposits are not eligible to be paid under this program.

Households are encouraged to contribute a minimum of \$100.00 to the payment of security deposit and application fees. However, because the amount of security deposit is limited to one month's rent and up to two application fees, it is possible that the household may need to contribute more than \$100.00.

The amount of SDAP assistance shall be limited as follows:

1. Households with income below 30% of AMI are eligible for the maximum amount of available assistance as defined above.
2. Households with family income between 30% and 50% of AMI are eligible for 50% of the maximum amount of available assistance as defined above.

Household Obligations

Households choosing to participate in the SDAP program will agree to certain obligations as listed below. Failure to meet household obligations shall be grounds for termination of participation in the program.

1. Household will enter a Promissory Note to repay the assistance in 12 or fewer monthly payments. The term of the Promissory Note will be based on household family income as described below.
2. Failure to meet repayment obligations shall constitute a failure to comply with S8HCV program requirements and constitute grounds for termination of assistance under the S8HCV program.
3. Payment of security deposit on behalf of households in no way makes the Housing Authority responsible for tenant charges/ tenant-caused damages.

Household Application for SDAP Assistance

Applications for SDAP assistance shall be submitted with the RFTA form. The CFHA has up to 15 business days to process the RFTA. During this period the CFHA will review the RFTA, process the Application for approval/denial and, inspect the unit, and the Promissory Note and lease will be executed by the adult household members.

SDAP Assistance Repayment Requirements

The approved SDAP funds will be provided in the form of a zero-interest loan; SDAP payments will be paid directly to the landlord. The terms of the loan, including provision for repayment, shall be set out in a written Promissory Note between the CFHA and adult household members, signed after both SDAP application and RFTA are approved. The repayment term shall be no longer than 12 months for families with income at or below 30% of AMI and no longer than 6 months for families with income between 30% and 50% of AMI. Repayment shall be monthly due on the first day of each month. The first payment shall be due no later than 45 days after the first day of the lease agreement. If household moves out of unit before the loan is repaid, the remaining balance shall be immediately due in full. Outgoing portability requests will not be approved until the Promissory Note is repaid in full.
