

WATER SERVICES DIVISION

Regulatory Compliance

Date: December 21, 2020

To: Cross-Connection Control Device Owners and Significant Industrial Users

Re: **Notice of Code Change**

The City of Flagstaff Water Services is proposing updates to the City Code Title 7 Health and Sanitation, Chapter 7-03 Water Regulations and Chapter 7-03 Wastewater Regulations affecting cross-connection control requirements and local limits for significant industrial users. The draft changes are available for review online beginning **December 21, 2020** at <https://www.flagstaff.az.gov/4492/Proposed-Pretreatment-Code-Changes>, or by requesting a paper copy to the Industrial Pretreatment Manager at 2323 N. Walgreens St. Suite 1, Flagstaff, AZ 86004, or calling (928) 213-2117.

The comment period is ninety days, closing on March 21, 2021. Interested persons may file comments in writing to pretreatment@flagstaffaz.gov regarding the proposed text amendments or be heard at the hearing date set forth herein. Written comments must include name and address so responses can be provided.

A public meeting soliciting comments will be held on February 4, 2021 at 4:00-5:00 pm to review, discuss and take public testimony and consider the following Wastewater and Water Regulation Amendments:

- A. Request by the City of Flagstaff for a City Code Text Amendment to amend Title 7, Chapter 7-02 Wastewater, as it relates to significant industrial users' local limits.
- B. Request by the City of Flagstaff for a City Code Text Amendment to amend Title 7 Chapter 7-03-001-0015 Water Regulations, as it relates to cross-connection control devices.

In order to comply with City of Flagstaff meeting restrictions, this meeting will be held in virtual format. The link for this meeting is: <https://tinyurl.com/yxengwfa>

These changes do not impact fees. Proposed City code changes can be found [here](#). Following is an overview of updates, with their locations in the code:

- 07-02 Wastewater Regulations
 - **Section 07-02-001: Wastewater, Related to Discharge Standards and Testing** schedule for significant industrial users. Updates local limits to align with federal and state permits,

Water – Wastewater – Reclaimed Water – Stormwater

Administration Offices
2323 N. Walgreens St., Suite 1
Flagstaff, Arizona 86004

protecting the water reclamation plants and the community's water quality.

- 07-03 Water Regulations
 - **Section 07-03-001-0015: Water, Related to Cross Connection Control** requirements. The changes streamline code language to increase clarity and reduce redundancy.

City Council will hear these proposed Public Health and Safety text amendments at a public hearing on Tuesday, March 30, 2021. At this public hearing, the City Council may be continued to a specific date or close the public hearing. The date and time of the public meeting to read the ordinance to be adopted for a second time may be modified. Please refer to the most recent City Council agenda posted at City Hall or on the city website (www.flagstaff.az.gov) twenty-four hours in advance of the City Council meeting for the most recent date and time of the second read of the ordinance to be adopted.
