RCRA gives EPA the authority to control hazardous waste from the "cradle-to-grave" to facilities that generate hazardous materials and sets forth a framework for the management of non-hazardous waste (42 USC, 6901).

## **Conflicts of Interest**

The City (grantee) and Contractor (subgrantees) will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (i) The employee, officer or agent,

- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

## CODE OF FEDERAL REGULATION (CFR) - Title 2: Grants and Agreements

### PART 200—UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS

---

#### Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of

mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See §200.322 Procurement of recovered materials.

## **AMERICAN RESCUE PLAN ACT (ARPA) – CORONAVIRUS LOCAL FISCAL RECOVERY FUNDS (CLFRF) GRANT PROVISIONS**

Funds are received from the U.S. Department of Treasury, Coronavirus Local Fiscal Recovery Fund (CLFRF) respectively (referred to as “Coronavirus State and Local Fiscal Recovery Funds” or “SLFRF”), Assistance Listing, CFDA Number 21.027.

Recipients under the State and Local Fiscal Recovery Funds (SLFRF) program are the eligible entities identified in sections 602 and 603 of the Social Security Act as added by section 9901 of the American Rescue Plan Act of 2021 (the “SLFRF statute”) that receive a SLFRF award. Subrecipients under the SLFRF program are entities that receive a subaward from a recipient to carry out the purposes (program or project) of the SLFRF award on behalf of the recipient.

Recipients are accountable to Treasury for oversight of their subrecipients, including ensuring their subrecipients comply with the SLFRF statute, SLFRF Award Terms and Conditions, Treasury’s Interim Final Rule, and reporting requirements, as applicable.

All Subrecipients, Contractors and Subcontractors are required to comply with the statutory and regulatory requirements and the terms and conditions of the award.

### **Key Principles**

There are several guiding principles for developing your own effective compliance regimes:

- Recipients and subrecipients are the first line of defense, and responsible for ensuring the SLFRF award funds are not used for ineligible purposes, and there is no fraud, waste, and abuse associated with their SLFRF award;
- Many SLFRF-funded projects respond to the COVID-19 public health emergency and meet urgent community needs. Swift and effective implementation is vital, and recipients must balance facilitating simple and rapid program access widely across the community and maintaining a robust documentation and compliance regime;
- SLFRF-funded projects should advance shared interests and promote equitable delivery of government benefits and opportunities to underserved communities, as outlined in Executive Order 13985, On Advancing Racial Equity and Support for Underserved Communities Through the Federal Government; and
- Transparency and public accountability for SLFRF award funds and use of such funds are critical to upholding program integrity and trust in all levels of government, and SLFRF award funds should be managed consistent with Administration guidance per Memorandum M-21-20 and Memorandum M-20-21.

### **Statutory Eligible Uses**

As a recipient of an SLFRF award, your organization has substantial discretion to use the award funds in the ways that best suit the needs of your constituents – as long as such use fits into one of the following four statutory categories:

1. To respond to the COVID-19 public health emergency or its negative economic impacts;
2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to such eligible workers of the recipient, or by providing grants to eligible employers that have eligible workers who performed essential work;

3. For the provision of government services, to the extent of the reduction in revenue of such recipient due to the COVID-19 public health emergency, relative to revenues collected in the most recent full fiscal year of the recipient prior to the emergency; and
4. To make necessary investments in water, sewer, or broadband infrastructure.

Treasury adopted an Interim Final Rule to implement these eligible use categories and other restrictions on the use of funds under the SLFRF program.<sup>1</sup> It is the recipient's responsibility to ensure all SLFRF award funds are used in compliance with these requirements. In addition, recipients should be mindful of any additional compliance obligations that may apply – for example, additional restrictions imposed upon other sources of funds used in conjunction with SLFRF award funds, or statutes and regulations that may independently apply to water, broadband, and sewer infrastructure projects. Recipients should ensure they maintain proper documentation supporting determinations of costs and applicable compliance requirements, and how they have been satisfied as part of their award management, internal controls, and subrecipient oversight and management.

## **Treasury's Rule**

Treasury's Interim Final Rule details recipients' compliance responsibilities and provides additional information on eligible and restricted uses of SLFRF award funds and reporting requirements. Your organization should review and comply with the information contained in Treasury's Interim Final Rule, and any subsequent final rule when building appropriate controls for SLFRF award funds.

## **Eligible and Restricted Uses of SLFRF Funds**

As described in the SLFRF statute and summarized above, there are four enumerated eligible uses of SLFRF award funds. As a recipient of an award under the SLFRF program, your organization is responsible for complying with requirements for the use of funds. In addition to determining a given project's eligibility, recipients are also responsible for determining subrecipient's or beneficiaries' eligibility and must monitor use of SLFRF award funds.

To help recipients build a greater understanding of eligible uses, Treasury's Interim Final Rule establishes a framework for determining whether a specific project would be eligible under the SLFRF program, including some helpful definitions. For example, Treasury's Interim Final Rule establishes:

- A framework for determining whether a project "responds to" a "negative economic impact" caused by the COVID-19 public health emergency;
- Definitions of "eligible employers", "essential work," "eligible workers", and "premium pay" for cases where premium pay is an eligible use;
- A definition of "general revenue" and a formula for calculating revenue lost due to the COVID-19 public health emergency;
- A framework for eligible water and sewer infrastructure projects that aligns eligible uses with projects that are eligible under the Environmental Protection Agency's Drinking Water and Clean Water State Revolving Funds; and
- A framework for eligible broadband projects designed to provide service to unserved or underserved households, or businesses at speeds sufficient to enable users to generally meet household needs, including the ability to support the simultaneous use of work, education, and health applications, and also sufficiently robust to meet increasing household demands for bandwidth.

Treasury's Interim Final Rule also provides more information on four important restrictions on use of SLFRF award funds: recipients may not deposit SLFRF funds into a pension fund; recipients that are States or territories may not use SLFRF funds to offset a reduction in net tax revenue caused by the recipient's change in law, regulation, or administrative interpretation; and, recipients may not use SLFRF funds as non-Federal match where prohibited. In addition, the Interim Final Rule clarifies certain uses of SLFRF funds outside the scope of eligible uses, including that recipients generally may not use SLFRF funds directly to service debt, satisfy a judgment or settlement, or contribute to a "rainy day" fund. Recipients should refer to Treasury's Interim Final Rule for more information on these restrictions.

### **Applicable Federal Policies**

- Recipients, Subrecipients, Contractors and Subcontractors must follow the Uniform Administrative Requirement, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) and the Terms and Conditions of the SLFRF assistance.
- American Rescue Plan Act (P.L. 117-2)
- U.S. Department of the Treasury
  - SLFRF Regulations (31 CFR 35)
  - Compliance and Reporting Guidance
  - Frequently Asked Questions
  - Uniform Administrative Requirements, Cost Principles and Audit Requirements (2 CFR 1000)
  - OMB "Uniform Guidance" 2 CFR 200, adopted by reference
  - Award Terms and Conditions
    - Assistance Listing Number 21.027 (Formerly CFDA Number)

### **SAM.gov Requirements**

All eligible recipients are also required to have an active registration with the System for Award Management (SAM) (<https://www.sam.gov>).

### **Contracts and Subawards to Debarred and Suspended Parties**

Pursuant to Code of Federal Regulations 2 CFR Subpart C §200.213, grantees and subrecipients must not make an award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension". By entering into this agreement Subrecipient agrees to comply with all relevant codes including 2 CFR Subpart C, "Responsibilities of Participants Regarding Transactions". When entering into a covered transaction with another person at the next lower tier, Subrecipient must verify that the person with whom you intend to do business is not excluded or disqualified.

### **Civil Rights Compliance**

Recipients and Subrecipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services, or otherwise discriminate on the basis of

race, color, national origin (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following authorities: Title VI of the Civil Rights Act of 1964 (Title VI) Public Law 88-352, 42 U.S.C. 2000d-1 et seq., and the Department's implementing regulations, 31 CFR part 22; Section 504 of the Rehabilitation Act of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR part 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department implementing regulations at 31 CFR part 23.

## **Davis-Bacon Act Requirements (If Applicable)**

### **Overview**

Section 1606 of the American Recovery and Reinvestment Act (ARRA) of 2009, Pub. L. No. 111-5, 123 Stat. 115 (Feb. 17, 2009) (the "Recovery Act"), requires grant award recipients, subrecipients, contractors, and subcontractors to comply with the wage requirements of the Davis-Bacon Act (40 U.S.C. 3141 et seq.) and related acts, stating:

*Notwithstanding any other provision of law and in a manner consistent with other provisions in this Act, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to this Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (64 Stat. 1267; 5 U.S.C. App.) and section 3145 of title 40, United States Code.*

### **Scope of the Davis-Bacon Act**

The Davis-Bacon Act prevailing wage requirements apply to laborers and mechanics employed under contracts or subcontracts in excess of \$2,000 for construction, alteration, or repair activities (including but not limited to painting and decorating) that are funded, in whole or in part, under BTOP grant awards. In general:

- Laborers and mechanics – Are workers whose duties are manual or physical in nature, including apprentices, trainees and helpers, but do not include workers whose duties are primarily managerial, administrative, executive, or clerical. See 29 C.F.R. § 5.2(m).
- The \$2,000 threshold – Pertains to the amount of the prime construction contract, not to the amount of individual subcontracts. Accordingly, if the prime construction contract exceeds \$2,000, all construction work on the project (including subcontracts) is covered by the Davis-Bacon Act. See 29 C.F.R. § 5.5(a)(6).
- Construction, alteration, or repair activities – Are those occurring at the "site of the work" that involve the alteration, remodeling, or installation of items fabricated off-site; painting and decorating; manufacturing or furnishing of materials, articles, supplies, or equipment on the site of the building or work; and, in certain cases, transportation between the site of the work and other points. See 29 C.F.R. § 5.2(j).
- Site of the work – Is the physical place or places where the building or work called for in the contract will remain, and any other site where a significant portion of the building or

work is constructed, provided that such site is established specifically for the performance of the contract or project, and includes job headquarters, tool yards, batch plants, borrow pits, etc., if they are dedicated exclusively, or nearly so, to performance of the contract or project, and are adjacent or virtually adjacent to the site of the work. The site of the work does not include permanent home offices, branch plant establishments, fabrication plants, tool yards, etc., of a contractor or subcontractor whose location and continued operation are determined wholly without regard to a particular Federal or Federally-assisted contract or project. See 29 C.F.R. § 5.2(l).

- Application to Governmental Agencies – Governmental agencies, such as states or their political subdivisions, are not subject to the Davis-Bacon Act requirements when construction work is being performed by their own employees on a "force account" basis. See 29 C.F.R. § 5.2(h).

Davis-Bacon Act prevailing wage requirements are likely to apply to construction and related activities undertaken in connection with Infrastructure Round 1 and Comprehensive Community Infrastructure (CCI) Round 2 projects. In many cases, Davis-Bacon Act prevailing wage requirements will also apply to activities under BTOP grants for Sustainable Broadband Adoption (SBA) and Public Computer Centers (PCC), when construction and related activities (including minor renovation of facilities) can be segregated from the other work contemplated by the grant. See 29 C.F.R. § 4.116; F.A.R. § 22.402(b).

### **Davis-Bacon Act Requirements**

Required contract provisions (appearing at 29 C.F.R. § 5.5) and the applicable wage determination(s) for the activities contemplated by a construction project must be included in any contract or subcontract to which the Davis-Bacon Act applies providing, among other items, that:

- Laborers and mechanics must be paid the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) at least once a week;
- No paycheck deductions or rebates are permitted, except as permitted under Department of Labor (DOL) regulations (29 C.F.R. §§ 3.5-3.6); and
- Wage and fringe benefit rates must be no less than those contained in DOL wage determination for the labor classification for the work actually performed.

The recipient is responsible for ensuring that the required contract provisions appear in all contracts and subcontracts entered into by recipients, subrecipients, contractors, and subcontractors for construction, alteration and repair activities covered by the Davis-Bacon Act and related acts. Applicable wage determinations included in the contract must be verified by the recipient within 10 days of the contract date.

In cases where state wage rates (determined under state statutes often called "Mini-Davis-Bacon Acts") are higher than the Federal wage rates, the state wage rates take precedence and should be included in contracts in lieu of the lower, Federal wage rates. In cases of construction projects on tribal lands, the recipient should contact its assigned Federal Program Officer (FPO) for guidance on the interplay among the Davis-Bacon Act, state Mini-Davis-Bacon acts and the Tribal Employment Rights Ordinance (TERO).

Contracts for amounts over \$100,000 that are covered by the Davis-Bacon Act must include additional standard clauses (also appearing in 29 C.F.R. § 5.5) providing, among other things,

that overtime for laborers and mechanics must be paid at a rate 1.5 times the basic rate of pay for time worked in excess of 40 hours per week.

In addition, the DOL Davis-Bacon poster (WH-1321) must be prominently posted at the site of the work. Refer to: [www.dol.gov/whd/regs/compliance/posters/fedprojc.pdf](http://www.dol.gov/whd/regs/compliance/posters/fedprojc.pdf).

### **Davis-Bacon Wage Rate Determinations**

DOL conducts statewide surveys seeking payment data on wage and fringe benefit rates from construction contractors and other interested parties, such as labor unions. Wage determinations are issued by locality, typically on a county-by-county basis. Davis-Bacon Act wage determinations are published on DOL's Wage Determinations OnLine (WDOL) website accessible at: [www.wdol.gov](http://www.wdol.gov). The Davis-Bacon Act prevailing wages are determined by DOL based on wages paid to various classes of laborers and mechanics employed on specific types of construction projects in an area.

If DOL has not published a wage determination for work that is needed to complete a BTOP construction project, the recipient may seek a Conformance. The recipient must submit a Conformance request using Standard Form (SF) 1444. Please go to [www.wdol.gov/library.aspx](http://www.wdol.gov/library.aspx) to obtain a copy of the form and instructions.

To complete the form, the recipient must describe the work to be done (identified with a classification that is used in the subject area in the construction industry) and propose a wage rate that bears a reasonable relationship to existing wage determinations. Typically, the rate must not be less than the wage determination for an unskilled laborer and, for a skilled craft, must be at least equal to the lowest wage determination for any other skilled craft.

Infrastructure and CCI recipients should submit the completed SF-1444 through Grants Online as an "Other Action Request." The SF-1444 will be routed to the National Oceanic and Atmospheric Administration (NOAA) Grants Officer and transmitted to the DOL Wage and Hour Division for review and approval. The Wage and Hour Division has committed to act on Conformance requests within 30 days.

SBA and PCC recipients should submit completed SF-1444 Conformance requests through the Post-Award Monitoring (PAM) System. To do so, the recipient should create a report package of the type "POR: PAM Other Request." After filling out and attaching the Request Template, the recipient should attach the completed SF-1444 form using the "Add File" button. The SF1444 will be routed to the National Institute of Standards and Technology (NIST) Grants Officer and transmitted to the DOL Wage and Hour Division for review and approval. The Wage and Hour Division has committed to act on Conformance requests within 30 days.

### **Recordkeeping and Monitoring Obligations**

Recipients, subrecipients, contractors, and subcontractors must prepare weekly certified payroll documentation using Form WH347 (available at: [www.dol.gov/whd/forms/wh347.pdf](http://www.dol.gov/whd/forms/wh347.pdf)), properly completed for laborers and mechanics performing activities covered by the Davis-Bacon Act requirements of the Recovery Act. Subrecipients, contractors, and subcontractors must submit this information to the BTOP grant award recipient on a weekly basis within seven days of the regular payment date of the subrecipient's, contractor's or subcontractor's payroll period.

A recipient must review the weekly certified payroll documentation it receives from its subrecipients, contractors and subcontractors on an ongoing basis. See 29 C.F.R. §§ 3.3-3.4. If a subrecipient receives the original payroll documents, the subrecipient should review these documents and forward the original documents to the recipient on a weekly basis within the time period described above.

The recipient must maintain in its files the original Davis-Bacon Act payroll records it prepares for itself, as well as those prepared by subrecipients, contractors, and subcontractors. The recipient is not required to submit any of the payroll documents to the BTOP Grants Office unless the assigned Grants Officer makes a request for such records. The payroll records must be maintained so as to be easily accessed by BTOP Grants Officers and by other duly authorized officials. The recipient must retain these records as provided in the Department of Commerce (DOC) Uniform Administrative Requirements for Grants and Cooperative Agreements, 15 C.F.R. § 14.53 or 24.42, as applicable, generally for the later of three years after closeout of the award, or until any litigation, claim, or audit is resolved.

### **Enforcement and Penalties**

Violation of the requirements of Section 1606 of the Recovery Act and the Davis-Bacon Act and related acts is a serious offense. Compliance is subject to audit during OMB Circular A-133 audits (including program-specific audits) of BTOP grant recipients and subrecipients, as well as audits and investigations by the DOC Office of Inspector General, the Government Accountability Office (GAO), the DOL Wage and Hour Division, and other duly authorized officials. A violation of the Davis-Bacon Act wage requirements may lead NTIA to impose appropriate enforcement action in connection with a BTOP grant award, up to and including suspension or termination of the award. In addition, contracting parties are subject to payment of back wages, and suspension or debarment from future contracts for a period of up to three years. Monetary damages may also apply. Falsification of certified payroll records or the required kickback of wages may subject a violator to civil or criminal prosecution, the penalty for which may include fines and/or imprisonment.
