# Engage, Empower, Elevate Grant

## Grant Application Deadlines

Completed applications must be submitted by April 22<sup>nd</sup> of the calendar year.

## Overview

The Engage, Empower, Elevate Grant was created by the City of Flagstaff Sustainability Section as a pilot program response to a twofold challenge in Flagstaff: the record high number of unsheltered community members and keeping Flagstaff litter free is an ongoing challenge. To address issues with litter, the Sustainability Section manages the Community Stewards Program, which supports volunteers who pick up trash throughout Flagstaff. One volunteer the program worked closely with is Stephen, a person experiencing homelessness. Stephen volunteered by picking up litter in the downtown area. The Community Stewards Program supplied Stephen with safety equipment, and he stopped in weekly to report his work to Sustainability staff. On one occasion, Stephen made a point to thank the Community Stewards Program for the opportunity to volunteer. He stated, "When I wear this volunteer vest, people see me. They say 'hello' and thank me for volunteering." This sparked the idea of working on a higher level with persons experiencing homelessness and Engage, Empower, Elevate was born. This grant will fund a project that provides employment opportunities to persons experiencing homelessness, or are at risk of homelessness, to abate litter in our community.

The Engage, Empower, Elevate Grant is funded through the City of Flagstaff Sustainability Office and the Community Stewards Program.

## Grant Funds Available

A grant of up to \$30,000 is available for one project. The grant is awarded through a competitive process. Funds are one-time funds and not guaranteed to be allocated annually.
