I Have My Permit, Now What?

1. Building inspection is the second part of the permit and construction process. You must call in for periodic building inspections. (add more info and/or links to what's on website)
2. Building permits do expire. (link to website permit expiration handout)
3. The permit and plans say there are "deferred submittals". What do I do?
4. I have changes to my approved plans, what do I do?
5. What is this Certificate of Special Inspections? What are Special Inspections?
